ADVICE FOR 8TH GRADERS

WE ASKED CURRENT HIGH SCHOOL STUDENTS WHAT ADVICE THEY WOULD GIVE TO THEIR 8TH GRADE SELVES, AND WHAT THEY WOULD DO DIFFERENTLY IF THEY COULD START HIGH SCHOOL OVER AGAIN. HERE ARE SOME RESPONSES!

LES PREGUNTAMOS A VARIOS ESTUDIANTES DE SECUNDARIA QUÉ CONSEJOS SE DARÍAN A LA EDAD DE EL 8º GRADO, Y QUÉ HARÍAN DIFERENTE SI PUDIERAN COMENZAR DE NUEVO LA ESCUELA SECUNDARIA. ¡AQUÍ HAY ALGUNAS RESPUESTAS!

"If I could start high school over again, I would take a wider variety of classes."

"Si pudiera comenzar la secundaria de nuevo, tomaría más variedad de clases."

-Brittany, Senior, Eureka High

"If I could start high school over again, I would challenge myself from the first year and not just as an upperclassman. Do your A-G requirements!"

"Si pudiera comenzar la secundaria de nuevo, me retaría más a mí mismo desde mi primer año y no esperar a ser estudiante de último año. ¡Cumple tus requisitos A-G!"

-Shane, Junior, Fortuna High

"Get involved (cliché I know), and don't be scared to pursue your passions and start new things; before you know it, high school will be over."

"Involúcrate, y no tengas miedo de perseguir tus pasiones y comenzar cosas nuevas; antes de que te des cuenta, la escuela secundaria habrá terminado."

-Agustin, Junior, Fortuna High

"I wish I could tell my 8th grade self that high school is pretty hard and to be prepared. Although high school is fun, just remember to put your grades first."

"Si me pudiera aconsejar a mi misma a la edad del 8º grado, yo me diría que la escuela secundaria es bastante difícil. La escuela secundaria es divertida, pero recuerda que tienes que poner tus calificaciones primero."

-Ashley, Sophomore, Eureka High

"Talk to people. It's how you make friends. Get out of your comfort zone and meet new people."

"Habla con gente diferente. Así es como se hacen nuevos amigos. No te encierres; sal de tu zona de confort y conoce gente nueva."

Rocky, Sophomore, Hoopa High

"Keep your studies up, so that you can get the classes you want. Like, try to do good in math so that you get into Biology your first year. And English, so that you can be in the English Honors class."

"Mantén tus estudios al día. Así podrás obtener las clases que quieres. Por ejemplo, intenta hacer las cosas bien en matemáticas para poder ingresar a Biología en tu primer año. También en inglés, para que puedas estar en la clase de Honores de Inglés."

-Virali, Freshman, South Fork High

"Relax and communicate with others for help."

"Relájate y no tengas miedo de pedir ayuda."

-Brittany, Senior, Eureka High

"Make time for studying. You HAVE to. It's not just fun and games anymore."

"Tómate un tiempo para estudiar. TIENES que hacerlo. El tiempo de diversión y juegos se terminó."

-Michael, Sophomore, Hoopa High

"High school is over in a flash and you need to make the best of it."

"La secundaria se termina en un instante y debes aprovechar la oportunidad."

-Alejandro, Junior, Fortuna High

"Stay focused!" "¡Mantente enfocado!" -Maria, senior, Del Norte High
